HOSPITALS

NYC Health + Hospitals facilities provide high quality health care services for Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) individuals, men who have sex with men (MSM) and women who have sex with women (WSW).

WE ARE AN ALLY

NYC Health + Hospitals is committed to empowering LGBTQ New Yorkers to live the healthiest life possible.

As an ally, we support civil rights and LGBTQ health equality. Our hospitals and health centers provide responsive, compassionate and respectful care in a welcoming environment.

As an ally, we provide training to all staff members on the special health, psychological and social issues of LGBTQ individuals.

Our facilities have open visitation rights for all LGBTQ patients and families. And we have zero tolerance for discrimination based on sexual orientation, gender identity or expression.

HEALTH SERVICES TAILORED TO YOU

We understand that if you are a member of the LGBTQ communities, or if you are an MSM or a WSW, you have special health care needs and concerns. Our clinicians are here to address your particular health needs and answer all of your questions in a safe and welcoming environment.

OUR SERVICES INCLUDE:

- + Primary care and preventive screenings
- + Women's health services
- + Health care, including confidential sexual and reproductive services, for adolescents
- + Hormone therapy (available at select facilities)
- + HIV/STD screening and treatment
- + Smoking cessation assistance
- + Behavioral health assessments and care
- + Geriatric care
- + Insurance counseling and payment plans
- + Interpreter services (available 24/7)

WHAT YOU CAN EXPECT DURING YOUR VISIT

- + Your provider will ask about your general well-being, your health concerns, relationships, sexual activities, needs for preventive care such as vaccinations, the need for assistance with smoking cessation or substance use issues and symptoms of depression and anxiety.
- + You can ask your provider about any other medical, psychological or social issues that concern you.
- + You can designate a health care proxy, including a same-sex partner.
- + Your services will be delivered with complete confidentiality.
- + You are free to use the restroom that matches your gender identity or expression.
