Level 1 DOFFING CHECKLIST

Step #	Task	Criteria	Completed
1.	Trained Observer	<ul style="list-style-type: none"> Engage the trained observer outside patient room with the checklist Determine contact time requirement for disinfectant wipe per product label 	<input type="checkbox"/> Yes <input type="checkbox"/> No
2.	Inspect PPE	<p style="color: red; font-weight: bold; margin: 0;"><i>In patient room;</i></p> <ul style="list-style-type: none"> Inspect PPE for soiling or breaches If PPE is visibly contaminated, disinfect by using an EPA-registered disinfectant wipe (allow contact time per product label) 	<input type="checkbox"/> Yes <input type="checkbox"/> No
3.	Perform hand hygiene	<ul style="list-style-type: none"> Perform hand hygiene by using an EPA-registered disinfectant wipe (allow contact time per product label) or with alcohol-based hand sanitizer 	<input type="checkbox"/> Yes <input type="checkbox"/> No
4.	Doff outer gloves	<ol style="list-style-type: none"> Using gloved hand, grasp the palm area of the other gloved hand and peel off first glove Hold the removed glove in the opposite, gloved hand Slide fingers of the ungloved hand under the remaining glove at the wrist and peel off the remaining outer glove over the first glove Discard both outer gloves in the infectious waste container 	<input type="checkbox"/> Yes <input type="checkbox"/> No
5.	Hand hygiene	<ul style="list-style-type: none"> Clean hands with alcohol-based hand sanitizer 	<input type="checkbox"/> Yes <input type="checkbox"/> No
6.	Doff face shield	<ul style="list-style-type: none"> Face shield is considered contaminated Remove by tilting the head slightly forward, grasping the rear strap and pulling it gently over the head and allowing the face shield to fall forward Discard in the infectious waste container 	<input type="checkbox"/> Yes <input type="checkbox"/> No
7.	Hand hygiene	<ul style="list-style-type: none"> Clean hands with an EPA-registered disinfectant wipe (allow contact time per product label) or alcohol-based hand sanitizer 	<input type="checkbox"/> Yes <input type="checkbox"/> No
8.	Doff surgical gown	<ul style="list-style-type: none"> Front and sleeves are potentially contaminated Pull the gown away from the body until the ties break Remove gown by pulling the gown away from the neck and shoulders, touching the inside only As the gown is rolled away from the body it is turned inside out, folded, or rolled into a bundle and discarded into an infectious waste container 	<input type="checkbox"/> Yes <input type="checkbox"/> No
9.	Perform hand hygiene	<ul style="list-style-type: none"> Perform hand hygiene by using an EPA-registered disinfectant wipe (allow contact time per product label) or with alcohol-based hand sanitizer 	<input type="checkbox"/> Yes <input type="checkbox"/> No

Colored steps indicate location: **Red** = in patient room | **Yellow** = In designated decontamination area | **Green** = In cold/clean zone outside decontamination area
