Special Keynote Speaker

OBBA BABATUNDÉ

Born and raised in Jamaica, Queens, Obba Babatundé is this year's recipient of the African-American Achiever Award, an annual recognition given by NYC Health + Hospitals/Queens that celebrates the contributions of an individual who is positively impacting the world around them by making a meaningful difference in the lives of others. He is an actor, singer, dancer, director, writer and producer. Obba's breadth of work is known worldwide by audiences of all ages, and his face is one of the most recognizable in the entertainment industry. He is the winner of an Emmy and NAACP Image Award, and has appeared in more than 17 stage productions, 33 films, over 60 made-for-television movies, and can currently be seen in 4 prime-time series. As a Global Ambassador for the organization Get Empowered, Obba is helping to uplift, empower and support children and adults of all ages and backgrounds by inspiring them to be their BEST selves.
