ABOUT NYC HEALTH + HOSPITALS/CONEY ISLAND

NYC Health + Hospitals/ Coney Island is a 371-bed facility, one of the NYC Health and Hospital system's 11 acute care hospitals that offers general and acute medical care to adults and children. In its century of service, Coney Island Hospital has established its reputation for clinical excellence and culturally competent care. The hospital has been recognized for its clinical innovations in Primary Care, Adolescent Medicine, Nuclear Medicine and Emergency Services. The hospital's staff is as diverse as the patients they serve. Interpreter services can be provided at any time of the day or night in over 130 languages.

We offer a competitive benefits package where eligible. NYC Health + Hospitals is an Equal Opportunity Employer. M/F/D/V
