

# Get a FREE COVID-19 Test and Antibody Test

## Get Tested – For Peace of Mind

You can get a FREE COVID-19 test and an antibody test to know your status and have peace of mind. The tests are safe, quick and easy. Getting tested for the virus is the first step you can take to protect yourself, your loved ones, and help New York City reopen safely.

Don't have COVID-19 symptoms? Get tested anyway! Not everyone has symptoms when they have COVID-19, but you can still pass the disease on to people around you.
