

# NYC Health + Hospitals/Sea View Visitation Guidelines

## (Revised September 18, 2020)

We're taking every precaution to protect and maintain the health and safety of our residents and staff during the COVID-19 outbreak. Please see below for our most up-to-date information on visitation.

- Current visiting hours are Tuesdays and Wednesdays, 10am to 11:30am and 2:00pm to 3:30pm and Saturdays 2:00pm to 4:30pm (weather permitting).
- Visitors will be required to call our Therapeutic Recreation Department at (718) 317-3610 at least 48 hours prior to their planned visit to request a day and time.
- Two people per resident will be permitted to visit during a session.
- Visits will be limited to 30 minutes per visit.
- Visitors should arrive 15 minutes before their scheduled time to register and be screened for COVID-19 symptoms and risk factors.
- As of 9/24, all visitors must present a verified negative COVID-19 test result within the last week (7 days of the scheduled visit).
- Any visitor found to be exhibiting signs and symptoms of COVID-19 or who do not pass the screening questions will be refused visitation.
- When you arrive at the facility, please enter the screening area located at the main entry in the lobby.
- Visitors must wear a surgical-mask at all times and proper hand hygiene is required. Sea View will ensure that adequate PPE is made available to residents and visitors. Staff will ensure that all masks brought to the facility are deemed compliant and appropriate.
- Visitors under the age of 18 must be accompanied by an adult 18 years of age or older.
- Visitation will take place in the Sea View Outdoor Patio, which will have designated areas for visiting.
- You are required to maintain a 6 foot distance from the resident while visiting.
- In order to keep our residents and visitors safe, no physical contact is permitted.
- No eating/sharing of food/beverage will be permitted.
- For residents newly admitted to Sea View, you are not permitted visitation until you have met the 14 day quarantine period.
- No one will be permitted for visitation without a confirmed reservation.
- If any visitor fails to adhere to the protocol, he/she/they will be prohibited from visiting for the duration of the COVID-19 declared public health emergency.

Note:

In order for visits to be permitted, the facility must remain free from any positive COVID case (for both residents and staff) for 14 consecutive days. At any point the facility does have a positive COVID case, visitation must be canceled until 14 consecutive-free COVID days has been achieved.

If you are unable to make arrangements for COVID testing, Seaview will gladly assist in the process.
