Gotham Health

Tremont Community
Health Center of Excellence

NYC Health + Hospitals/Gotham Health, Tremont Community Health Center of Excellence is a COVID-19 Center of Excellence and a comprehensive health center with a range of services to keep the entire family healthy. Our dedicated team of healthcare professionals provide coordinated care using the best practices and tools to manage your health. Doctors are board certified to provide the highest level of care for all stages of life, from birth to adulthood.

High Quality Care For All

Conveniently located in the Bronx and easily accessible by public transit, Tremont Community Health Center of Excellence is dedicated to ensuring that all New Yorkers have access to high quality healthcare, regardless of ability to pay, immigration status or gender identity.

COVID-19 Center of Excellence

Tremont Community Health Center of Excellence provides short-and long-term follow-up care for those recovering from COVID-19. Services offered include:

- + COVID-19 Testing
- + Lung care and supplemental oxygen
- + Heart care
- + Diagnostic radiology services
- + Mental health services for anxiety, depression, post-traumatic stress disorder, and psychological distress
- + Rooms with special technology to safely isolate patients who may have COVID-19 and are being tested

Healthy Adults

Our primary care teams are specially trained to help you manage all of your health conditions and offer self management tools for chronic diseases that keep you healthy. Examples of services and conditions we provide outstanding care for include:

- + Asthma
- + Cancer screening
- + Dental
- + Diabetes
- + Family planning
- + Heart disease
- + High blood pressure
- + HIV/AIDS and other infectious diseases
- + Mental health screening
- + Vaccinations

Sexual and Reproductive Health

We provide a range of health care services including:

- + Breastfeeding/lactation services
- + Cancer screening
- + Family planning and reproductive health
- + Gynecological care
- + HIV and STD testing
- + Pregnancy testing
- + Prenatal and postpartum care
- + Vaccinations and more

Healthy Children and Adolescents

Our pediatric specialists care for babies and children of all ages. We also provide confidential sexual and reproductive care for adolescents 13-21 years old.

Affordable Health Care Services

Our mission is to provide health care to all New Yorkers without exception. We accept most insurance plans and use a sliding fee scale if you do not have insurance or your insurance does not cover the services you need. Our health insurance specialists provide free financial counseling to help you sign up for a health plan that is right for you.

At NYC Health + Hospitals, we recognize the connection between great care and communicating with patients in their preferred language.

Other services, such as x-rays and blood tests, are included in our low all-inclusive fee. We also offer discounts on prescription medicine.
