

## COVID-19 Nasal Swab Test Results in MyChart

Thank you for getting a COVID-19 test. You can see your test result in your MyChart account online, or on the MyChart mobile app. Your test result will appear next to, or under, the word “Value.” Here is an example of what your results will look like in MyChart:

### MyChart Online

### MyChart Mobile

If the “Value” is:		
<ul style="list-style-type: none"> <li>• Detected</li> <li>• Positive for 2019-nCoV</li> <li>• Presumptive Positive for 2019-nCoV</li> <li>• Positive</li> </ul>	<ul style="list-style-type: none"> <li>• Not Detected</li> <li>• Negative</li> </ul>	<ul style="list-style-type: none"> <li>• Inconclusive</li> <li>• Invalid</li> <li>• Quantity Not Sufficient/QNS</li> <li>• Test Not Performed/TNP</li> </ul>
...your result is:		
<p><b>POSITIVE</b> You <u>have</u> COVID-19</p>	<p><b>NEGATIVE</b> You <u>do not</u> have COVID-19</p>	<p><b>NOT SURE</b> Get tested again!</p>

If your COVID-19 PCR test is negative, NYC Health + Hospitals encourages you to get your COVID-19 vaccine! To schedule a COVID-19 vaccine appointment, go to [vaccinefinder.nyc.gov](https://vaccinefinder.nyc.gov) or call 877-VAX-4NYC (877-829-4692).
