Ruth Bader Ginsburg Hospital

## Ruth Bader Ginsburg Hospital

What's in a name? **U.S. Supreme Court Justice Ruth Bader Ginsburg** was a legend, a trailblazer, and a champion of equity. Named after this Brooklyn icon, the new hospital will be the visual anchor of a transformed health care campus where you can truly expect excellence for all.

## A NEW STANDARD OF CARE FOR SOUTH BROOKLYN

Introducing **NYC Health + Hospitals/South Brooklyn Health**. The former Coney Island Hospital is now a modern health care campus redesigned to serve all of South Brooklyn and neighboring communities. Our campus and its new 11-floor **Ruth Bader Ginsburg Hospital** features world-class emergency care, modern labor & delivery suites, and state-of-the-art surgical services. Our spacious new **Health & Wellness Institute** offers a full array of outpatient services—from primary and preventive care to specialty services for children and adults—all designed to keep our community healthy.

There's a lot that's new on campus, but some things remain the same: our love and respect for our community, our skilled and compassionate health care teams who live and work in the community, and our mission to provide excellent care for all. We believe that everyone deserves the highest quality of care, regardless of immigration status or ability to pay.

## WELCOME TO OUR NEW HOSPITAL

**Ruth Bader Ginsburg Hospital** is equipped with expansive facilities, all the latest equipment, and most importantly, a team of skilled and diverse health care professionals dedicated to the highest quality care for their community.

### Highlights

#### Modern Emergency And Trauma Care

Our elevated and expanded emergency department is equipped to handle serious medical emergencies and trauma cases for adults and children. You will be promptly seen by a doctor upon arrival.

#### State-of-the-Art Surgical Suite

From the latest diagnostic equipment to minimally invasive robotic surgery, our focus is on increased precision and accuracy, meaning faster recovery times.

#### Labor & Delivery

We offer private, comfortable rooms for new parents and babies to bond in, because we believe an intimate, personal birthing experience is a right, not a privilege.

### Additional Features

- + Private inpatient rooms
- + Certified Percutaneous Coronary Intervention (PCI) Center
- + Advanced Primary Stroke Center
- + Diagnostic and interventional radiology and cardiology services
- + Endoscopy suite

## HEALTH & WELLNESS INSTITUTE

Our redesigned ambulatory care practices will create a patient-centered experience that will focus on prevention and chronic disease management. Our comprehensive primary and specialty care services include women's health services, cardiology, gastroenterology, neurosurgery, orthopedics, urology, dental, and more, so you can take care of all your health care needs in one place.
