

Visitation Guidelines

- Sea View remains in full alignment with CDC, CMS/NYS DOH guidance and recommendations and therefore, visitation is allowed at all times and for all residents.
- Surgical-masks are no longer required however please continue to adhere to the core principles of infection prevention
- During an outbreak investigation, visitors will still be allowed in the facility. Visitors will be made aware of the potential risk of visiting during an outbreak investigation and adhere to the core principles of infection prevention. PPE will be required on the affected unit.
- If a visitor exhibits signs and symptoms of COVID-19, the facility encourages the visitor to refrain from visiting.

Thank you for your cooperation.
