NYC Health + Hospitals is the largest public health care system in the United States. We provide essential outpatient, inpatient and home-based services to more than one million New Yorkers every year. We offer a competitive benefits package where eligible. NYC Health + Hospitals' employees work together to provide comprehensive, personalized care for all New Yorkers. It is the policy of NYC Health + Hospitals to provide equal employment opportunity to all employees and applicants of the System regardless of actual or perceived age, immigration or citizenship status, color, disability, gender (including sexual harassment), gender identity, marital and partnership status, national origin, pregnancy, race, religion/creed, sexual orientation, status as a Veteran or Active Service Member, arrest or conviction record, caregiver status, credit history, unemployment status, salary history, weight, height, and/or status as a victim of domestic violence, stalking, and sex offenses and/or any other protected class under the applicable federal, state and local antidiscrimination laws.
