NYC Health + Hospitals is the largest public health care system in the United States. We provide essential outpatient, inpatient and home-based services to more than one million New Yorkers every year. We offer a competitive benefits package where eligible. NYC Health + Hospitals' employees work together to provide comprehensive, personalized care for all New Yorkers. We are committed to providing a person-centered care environment and are looking for individuals that exemplify our ICARE (Integrity, Compassion, Accountability, Respect, and Excellence) values.
