ABOUT US

NYC Correctional Health Services (CHS), a division of NYC Health + Hospitals, is the direct provider of health care in New York City's jails. Our in-jail services include: medical, nursing, and mental health care; social work services; substance-use treatment; dental and vision care; discharge planning; and reentry support. CHS is also a pivotal partner in New York City's criminal-legal reform efforts.

COMPETITIVE BENEFITS

Packages includes a comprehensive Health Insurance Program, NYCERS Pension Plan, Deferred Compensation Plan (401k, 457), Prudential (403B), the 529 Direct College Savings Plan, Wage works and more!

DIVERSITY

We believe that valuing diversity and inclusion drives our success in providing the best care possible to our patients. We are committed to fostering a diverse and inclusive culture that values and appreciates our workforce and partners.
