MOSAIC Visiting Scholars Program (VSP) 2024 – 2025 Application

What is the MOSAIC Visiting Scholars Program?

The MOSAIC Visiting Scholars Program (VSP) offers four to six-week electives at NYC Health + Hospitals for medical students and trainees from underrepresented backgrounds. The goal is to have the NYC Health + Hospitals' physician workforce that better reflects our patient population by creating experiential, clinical, and mentorship opportunities across NYC Health + Hospitals.

MOSAIC VSP will run two cohorts per year. Each VSP participant will be matched to a NYC H+H participating site and will conduct clinical shadowing, didactic sessions, practical learnings, simulation and experiential training opportunities. The goal is to allow participants to develop and refine their professional development skills, gain clinical exposure and strengthen their commitment to social justice and serving vulnerable populations. The rotations will take place between August – November, 2024 and January – March, 2025, depending on the availability of the placement.

Participants accepted into MOSAIC VSP will be provided a stipend (\$2,000 stipend for 4 weeks and \$3,000 for 6 weeks) and an additional \$2,000 housing stipend for participants that are not based in the New York City metro area. Students from the NYC metro area are expected to cover their own housing costs.

Visiting elective options include (but not limited to):

- + Emergency Medicine
- + Internal Medicine
- + Gastroenterology
- + Plastics and Reconstructive Surgery
- + Primary Care
- + Psychiatry
- + Orthopedics and Hand Surgery
- + Obstetrics & Gynecology
- + Ophthalmology
- + Urology

Who Is Eligible:

While the program is open to any level of medical student and resident, each elective site has different preferences for the level of student/trainee. The total number of slots will depend on the availability of individual placements and funding.

- + Medical students must be attending a U.S. accredited allopathic medical schools (i.e., are enrolled in Medical Degree-granting programs) or osteopathic medical schools (i.e., are enrolled in Doctor of Osteopathy-granting programs)
- + Residents must be attending an ACGME-accredited residency program
- + Students from underrepresented background are encouraged to apply

Program Logistics:

Applicants must submit their application to MOSAIC@nychhc.org by April 26, 2024. The VSP team will review applications and offer interviews to a select number of candidates based on a matching process from applicants' elective preferences.

Final decisions will be emailed by May 24, 2024.

All accepted VSP Students will receive funding of \$2,000 for four weeks and \$3,000 for six weeks as a stipend to defray living expenses, as well as a \$2,000 housing stipend for students from outside the New York metro area.

The VSP team will review applications and offer interviews to a select number of candidates based on a matching process from applicants' elective preferences.

1st Cohort	2nd Cohort
August - November, 2024	January - March, 2025

How to Apply

Send all application materials to MOSAIC@nychhc.org by the application deadline of April 26, 2024.

- + Complete Application (next page)
- + CV/Resume and Official Transcripts
- + Personal Statement (including your interest in NYC Health + Hospitals and our patient population)
- + Letter of Recommendation, ideally from faculty member or dean at your home institution
