+ Vaccinations and more

Healthy Children and Adolescents

Our pediatric specialists care for babies and children of all ages. We also provide confidential sexual and reproductive care for adolescents 13-21 years old.

Affordable Health Care Services

Our mission is to provide health care to all New Yorkers without exception. We accept most insurance plans and use a sliding fee scale if you do not have insurance or your insurance does not cover the services you need. Our health insurance specialists provide free financial counseling to help you sign up for a health plan that is right for you.

At NYC Health +Hospitals, we recognize the connection between great care and communicating with patients in their preferred language.

Other services are included in our low all-inclusive fee. We also offer discounts on prescription medicine.

For appointments, call 1 (844) NYC-4-NYC or 1-844-692-4692 24-hour access to a healthcare provider is available.
