

EXCITING OPPORTUNITY FOR BEHAVIORAL HEALTH PROFESSIONALS!

NYC Health + Hospitals/Correctional Health Services (CHS) invites you to join our team and benefit from the Behavioral Health Loan Repayment Program (BH4NYC). Established in 2022, this program, supported by generous donors, provides grants to behavioral health professionals to be used towards paying off student loan debt.

We're looking for passionate professionals to join us and take advantage of this incredible program.

Who's eligible?

Full-time, licensed/board-certified professionals in behavioral health (BH) roles, including:

- Psychiatrists
- Psychiatric Nurse Practitioners (NP)
- Licensed Clinical Psychologists
- Licensed Clinical Social Workers (LCSW)
- Psychiatric Physician Assistants (PA)
- Registered Nurses (RN) in a BH setting
- Licensed Creative Arts Therapists (LCAT)

Additional Requirements:

1. Professionals not receiving loan repayment from another source (except Public Service Loan Forgiveness)
2. U.S. citizens or permanent residents
3. Must provide direct patient care in a behavioral health setting.

Join us in making a difference at CHS while reducing your student loan debt!
Apply now and become part of the team.
