### ABOUT US

NYC Correctional Health Services (CHS), a division of NYC Health + Hospitals, is the direct provider of health care in New York City's jails. Our in-jail services include: medical, nursing, and mental health care; social work services; substance-use treatment; dental and vision care; discharge planning; and reentry support. CHS is also a pivotal partner in New York City's criminal-legal reform efforts.

### COMPETITIVE BENEFITS

Packages includes a comprehensive Health Insurance Program, NYCERS Pension Plan, Deferred Compensation Plan (401k, 457), Prudential (403B), the 529 Direct College Savings Plan, Wage works and more!

### DIVERSITY

We believe that valuing diversity and inclusion drives our success in providing the best care possible to our patients. We are committed to fostering a diverse and inclusive culture that values and appreciates our workforce and partners.
