Directions To Woodhull

760 BROADWAY
BROOKLYN, NEW YORK 11206

NYC Health + Hospitals/ Woodhull is located at the intersection of Broadway and Flushing Avenue.

By Subway

Take the J, M, or Z train to Flushing Avenue. Take the elevators or stairs to reach the southwest corner of Broadway and Flushing, where the main entrance is located.

Alternatively, take the G train to Flushing Avenue, then take the B57 bus or walk three blocks east toward Broadway, and the main entrance.

By Car

From Brooklyn: Take the Brooklyn-Queens Expressway (BQE) to the Flushing Avenue exit; turn right onto Flushing Avenue; then continue to Woodhull.

From Queens: Take the BQE to McGuinness Blvd (the first exit over the Kosciuszko Bridge); at the third light, turn left onto Humboldt Street (under the bridge), which leads directly to Woodhull. You may take the Jackie Robinson (Interboro) Parkway, to the Bushwick Ave. exit; continue to Myrtle Ave; turn left on Myrtle and go to Throop Ave; turn right on Throop, then continue to Woodhull.

From Manhattan: Follow the Williamsburg Bridge to Broadway (the first exit), and turn left; go straight to Woodhull. You may take the Brooklyn Bridge, by going to Tillary St. (the first light); turn left and go to the BQE; exit at Flushing Avenue; turn right, then go to Woodhull.

By Bus

B15, B40, B46, B43, B54, B57 and B62

Welcome the NYC Health + Hospitals/Woodhull Adolescent Health Practice led by Roman Babayev, M.D. and his team.

Roman Babayev, M.D. is the Director of Adolescent Medicine at NYU Langone Hospitals/NYC Health + Hospitals/Woodhull.

Dr. Babayev is a board-certified pediatrician passionate about providing high quality, compassionate care to adolescents and young adults. His clinical expertise addresses the unique challenges of adolescence, including mental health concerns like depression and anxiety, weight management, sexual and reproductive health, and preventive care. With a patient-centered approach, Dr. Babayev believes in empowering young people to make informed decisions about their health.

What We Do

Our Adolescent Health Practice provides essential Adolescent health care services for a diverse population of children, adolescents, and young adults aged 13 to 24 in the North Brooklyn area. The patients at our Adolescent Health Practice benefit from a welcoming environment, and trust-inspiring staff. The practice offers high-quality, comprehensive healthcare services, and wellness and prevention education tailored to the needs of young people. Our expert healthcare providers and support staff are always mindful of and sensitive to the need for privacy and confidentiality.

At our NYC Health & Hospitals/ Woodhull Adolescent Health Practice the following services are available:

- + Exams for school, college, camp or sports
- + Clearance for work
- + STD testing and on-site treatment
- + PrEP medication for HIV prevention
- + Pregnancy tests
- + Birth control and other family planning
- + Healthy eating and active lifestyle counseling

- + Management for eating disorders
- + Mental health support
- + Substance use and abuse
- + LGBTQIA+ Health concerns/ Gender Care
- + Transition care to Adult Care

We also have special youth health education programs such as the ABLÉ Program which is a Comprehensive Adolescent Pregnancy Prevention Program designed to help Adolescents successfully bridge the gap between Adolescence and Adulthood.

Thank you for choosing

NYC Health + Hospitals/ Woodhull
as your medical home.
