

## Metropolitan Cosmetic Surgery Center

**Now Open in the Heart of  
East Harlem**

With over 80 years of combined surgical excellence in private practice, the Metropolitan Cosmetic Surgery Center is proud to bring personalized, top-tier cosmetic services to the vibrant New York City area.

Led by seasoned experts, we combine trusted, high-quality care with treatment tailored to meet the evolving needs of each and every patient, making exceptional cosmetic treatments available to more people than ever before, all under one roof.

**Call us for a consultation and  
experience the care you deserve.**

**(929) 715-3596**
