

The American Heart Association® and the American Medical Association recognize these practices for their unwavering commitment to achieving better blood pressure control in their communities, with the ultimate goal of reducing the number of Americans who have heart attacks and strokes.

TARGET:BP™ GOLD+ LEVEL ORGANIZATIONS

Practices recognized for demonstrating a commitment to improving blood pressure control through evidence-based activities in the Measure Accurately, Act Rapidly, and at least one other pillar along with having 70% or more of their adult patient population with high BP controlled.
