Community Health Center of Excellence

NYC Health + Hospitals/Gotham Health, Tremont Community Health Center of Excellence is a comprehensive health facility with a range of services to keep the entire family healthy. Our dedicated team of healthcare professionals provide coordinated care using the best practices and tools to manage your health. Providers are board certified to provide the highest level of care for all stages of life, from birth to all stages of life.

High Quality Care For All

Conveniently located in the Bronx and easily accessible by public transit, Tremont Community Health Center of Excellence is dedicated to ensuring that all New Yorkers have access to high quality healthcare, regardless of ability to pay, immigration status or gender identity.

Healthy Adults

Our primary care teams are specially trained to help you manage all of your health conditions and offer self management tools for chronic diseases that keep you healthy. Examples of services and conditions we provide outstanding care for include:

- + Asthma
- + Cancer Screening
- + Clinical Pharmacology
- + COVID Screening & Vaccinations
- + Dentistry
- + Diabetes
- + Family planning
- + Heart Disease
- + High blood pressure
- + HIV/AIDS and other infectious diseases
- + Mental health screening
- + Nutrition Counseling
- + Optometry
- + Podiatry
- + Radiology
 - + Mammography
- + X-Ray
- + Ultrasounds
- + Bone Density Scans
- + Social Work
- + Vaccinations

Sexual and Reproductive Health

We provide a range of health care services including:

- + Breastfeeding/lactation services
- + Cancer screening
- + Family planning and reproductive health
- + Gynecological care
- + HIV and STD testing
- + Pregnancy testing
- + Postpartum care
- + and more...

Healthy Children and Adolescents

Our pediatric specialists care for babies and children of all ages. We also provide confidential sexual and reproductive care for adolescents 13-21 years old.

Affordable Health Care Services

Our mission is to provide health care to all New Yorkers without exception. We accept various insurance plans and offer financial counseling assistance options that cover services, if you are uninsured or underinsured. Ancillary services, such as x-rays and blood tests, are included in our low all-inclusive fee. We also offer discounts on prescription medications.

Our health insurance specialists provide free financial counseling to help you sign up for a health plan that is right for you.

Language Translation Services

We offer free interpreters in over 300 languages to ensure patients understand their medical needs and their care.

We put patients first by connecting them to video language services while providing safe and quality health care services.

**For appointments, call
1 (844) NYC-4-NYC or 1-844-692-4692**

24-hour phone access to a nurse is available to all of our patients by calling 1 (844) NYC-4-NYC.

Manage Your Health with MyChart 24/7

Get in touch with your care team anytime, anywhere. MyChart is a free and secure online tool where you can view and manage your health information at any time. It is the best way to connect with your doctor and health care providers from home.

You can access MyChart online at mychart.nychhc.org or by downloading the MyChart app from the App Store or Google Play.
