MOSAIC Visiting Scholars Program (VSP) 2026 – 2027 Application

What is the MOSAIC Visiting Scholars Program?

The MOSAIC Visiting Scholars Program (VSP) offers four-week at NYC Health + Hospitals (H+H) for medical students and trainees who are committed to providing care to underserved communities. The goal is to have a physician workforce at H+H that better reflects our patient population by creating experiential, clinical, and mentorship opportunities across the System.

MOSAIC VSP will run two cohorts per year. Each VSP participant will be matched to an H+H participating site and will conduct clinical shadowing, didactic sessions, practical learnings, simulation and experiential training. The goal is to allow participants to develop and refine their professional development skills, gain clinical exposure and strengthen their commitment to social justice and serving vulnerable populations. The rotations will take place between August – November 2026 and January – April 2027, depending on the availability of the placement.

Participants accepted into MOSAIC VSP will be provided a \$2,000 stipend for the rotation and an additional \$2,000 housing stipend for participants that are not based in the New York City metro area. Students from the NYC metro area are expected to cover their own housing costs.

Visiting elective options include (but not limited to):

- + Emergency Medicine
- + Internal Medicine
- + Gastroenterology
- + Pediatrics

- + Primary Care
- + Psychiatry
- + Obstetrics & Gynecology
- + Ophthalmology

***Additional electives available**

Who Is Eligible:

The MOSAIC Visiting Scholars Program is open to medical students who have completed their Core rotations. The total number of slots will depend on the availability of individual placements and funding.

Medical students must be attending a U.S. accredited allopathic medical school (i.e., are enrolled in Medical Degree-granting programs) or osteopathic medical schools (i.e., are enrolled in Doctor of Osteopathy-granting programs).

Program Logistics:

Applicants must submit their application to MOSAIC@nychhc.org by April 24, 2026. The VSP team will review applications and offer interviews to a select number of candidates based on a matching process from applicants' elective preferences.

Final decisions will be emailed by May 29, 2026.

All accepted VSP Students will receive funding of \$2,000 for four-week rotations as a stipend to defray living expenses. There is an additional \$2,000 housing stipend for students not from the New York City metro area.

Placements will take place between August – November, 2026 and January – April, 2027. Students will specify which of the two placement windows they would prefer in the application.

1st Cohort	2nd Cohort
August - November, 2026	January - April, 2027

How to Apply

Send all application materials to MOSAIC@nychhc.org by the application deadline of April 24, 2026.

- + Complete Application (next page)
- + CV/Resume and Official Transcripts
- + Personal Statement (including your interest in working with underserved populations)
- + Letter of Recommendation, ideally from faculty member or dean at your home institution
