

Care for NYC. No Exceptions.

#### NYC HEALTH + HOSPITALS/METROPOLITAN

NYC Health + Hospitals/Metropolitan is a 338-bed facility serving East Harlem and surrounding communities. Known historically as the primary health care provider in El Barrio, Metropolitan delivers high-quality, compassionate care through over 400,000 clinic visits and more than 60,000 emergency room visits annually. The hospital is a designated Sexual Assault Forensic Examination (SAFE) Center of Excellence and a recognized "Leader in LGBTQ+ Healthcare Equality" by the Human Rights Campaign. Metropolitan has earned numerous honors, including the AORN, Beacon, Lantern, and Pathway to Excellence with Distinction awards, and national recognition in U.S. News & World Report's Best Hospitals list. With a legacy spanning 150 years, Metropolitan maintains the nation's oldest municipal hospital-medical school affiliation through its longstanding partnership with New York Medical College.
