VIII. Metric 6: AVERAGE TURNAROUND TIME (TAT) IN BUSINESS DAYS FROM ORDER RECEIVED TO 1ST SCHEDULED APPOINTMENT	10
IX. Metric 7: AVERAGE TAT IN BUSINESS DAYS FROM 1ST SCHEDULED APPOINTMENT TO 1ST SEEN APPOINTMENT	10
X. Metric 8: AVERAGE TAT IN BUSINESS DAYS FROM 1ST SCHEDULED APPOINTMENT TO NEXT SCHEDULED APPOINTMENT	10
XI. Metric 9: NUMBER OF 730 ORDERS WITH PENDING EXAMINATIONATIONS WITH 2+ APPOINTMENTS WITHIN THE TIME PERIOD	11
XII. Metric 10: AVERAGE TAT IN BUSINESS DAYS FROM ORDER RECEIVED TO 1 ST COMPLETED EXAMINATION BY TOP CHARGE	12
XIII. Metric 11: AVERAGE TAT IN BUSINESS DAYS FROM RESTORATION ORDER RECEIVED TO DISCHARGE DATE BY TOP CHARGE	12
XIV. Metric 12: AVERAGE TAT IN BUSINESS DAYS FROM ADMISSION DATE TO DISCHARGE DATE BY TOP CHARGE.....	12

II. Data Dictionary

#	Report Metric	Definition
1	Total number of defendants with open 730 Orders within the period	# of people in custody with a pending forensic psychiatric examination at any point during the reporting period
2	Total number of defendants admitted into DOC Custody within the period for whom a 730 exam was ordered	# of people admitted to the department's custody during the reporting period with a pending forensic psychiatric examination
3	Total number and percentage of defendants found unfit	# and % of in custody deemed unfit to stand trial by Correctional Health Services (CHS) following a forensic psychiatric examination during the reporting period
4	Total number and percentage of defendants found unfit and admitted to custody	# and % of people admitted to the department's custody during the reporting period who were deemed unfit by CHS following a forensic psychiatric examination during the reporting period
5	730 order examination locations and outcomes	# and % of forensic psychiatric examinations conducted for people in custody virtually vs in-person and seen vs. not seen
6	Average turnaround time (TAT) in business days from order received to 1st scheduled appointment	The average length of time between when CHS receives an order of examination and the date of the first scheduled forensic psychiatric examination for orders received during the reporting period
7	Average TAT in business days from 1st scheduled appointment to 1st seen appointment	The average length of time between the date of first scheduled forensic psychiatric examination during the reporting period and the date the first forensic psychiatric examination is completed for first examinations completed during the reporting period
8	Average TAT in business days from 1st scheduled appointment to next scheduled appointment	The average length of time between the first scheduled forensic psychiatric examination date of the reporting period and the rescheduled forensic psychiatric examination date, for forensic psychiatric examinations not completed on the first scheduled date during the reporting period
9	Number of 730 orders with pending examinations with 2+ appointments	# and % of people in custody with a pending forensic psychiatric examination, who have had more than one rescheduled appointment without completing that forensic psychiatric examination
10	Average TAT in business days from order received to 1 st completed examination	The average length of time between when CHS receives an order of examination and completion of the first forensic psychiatric examination for 730 orders received and examination completed during the reporting period.
11	Average TAT in business days from restoration order received to discharge date	The average length of time between the date of the court order that a person is to be discharged to an appropriate institution for competency restoration and the DOC date that such person was discharged from the department's custody to the appropriate institution
12	Average TAT in business days from admission date to discharge date	The average length of time between the DOC date that a person is admitted to the custody of the department and the DOC date that they are discharged to an appropriate institution for competency restoration
