NYC Health + Hospitals/
Metropolitan is a full service
community hospital that
provides state-of-the-art
care with compassion.

We provide culturally-sensitive care to patients from all five New York City boroughs in a welcoming and hospitable setting, emphasizing primary care medicine and utilizing the latest advances in medical science. Close patient supervision by a specially trained multidisciplinary team of health professionals helps ensure that patients receive the best, most effective care possible.

We accept various insurance plans and offer financial counseling assistance options that cover hospital services and prescriptions, if you are uninsured or underinsured. For insurance and billing questions, call 646-672-3487.

Because our practice is part of the largest public health care system in the country, we can provide easy referrals to a vast network of hospitals, home care services, nursing homes and specialty care providers across the city.
